QUALITY

- Our fabrics are woven from the finest quality yarns to attain an impeccable quality.
- Weaving is done on handlooms / powerlooms / rapier (shuttleless) looms depending upon the quality and design of the fabric.
- Our intricate embroideries are done manually using the best quality threads / sequins / beads. Piece length depends upon the quality & density of embroidery. For dense embroideries, the preferred length is upto 6 metres per bolt, and for scattered it is upto 12-15 metres per bolt.
- We use the best dyestuffs from companies like Clariant / Ciba etc. for our yarn dyed & piece dyed goods. Piece length Dyeing is done on jaegers using azo free dyedstuffs at desired temperature levels. Fastness varies from colour to colour & quality of the fabric.
- Colour matching is done as per international standards viz. D65 / INC A / TL 84 / CWF / UVB .
- Washing Instructions – DRY CLEAN ONLY (preferably by Perchloroethylene)
- **Minor variations are characteristic of Natural Silk / Linen fabrics and should not be treated as its defects.**
